

Teacher Creed At Kiducation

- ▶ **The only ego I will think of is the self-esteem of my students.**
- ▶ **The only problems I will worry about are the math problems to teach in class.**
- ▶ **Creativity will be my key word.**
- ▶ **Dedication my quest.**
- ▶ **Safety and Security of the Children in my care will be my goal.**
- ▶ **In a classroom I will always look and care for the individual in every child.**
- ▶ **But in the staff room it's not about an individual but a team spirit that I will seek.**
- ▶ **Children First will be my motto and on such a positive trail of Kiducation I will lead generation next.**
